Address

Current Address

- ❖ **House:** 37/B
- ❖ **Road:** 7/3
- ❖ **Block:** H
- ❖ South Banasree Project
Dhaka Bangladesh.

Permanent Address

- ❖ **Village:** Mandari
- ❖ **PO:** Mohamaya
- ❖ **Thana:** Chandpur Sadar
- ❖ Chandpur Bangladesh.

Interests

- ❖ Designing and architecting custom software solutions, with a focus on creative problem-solving and clean code practices.
- ❖ Continuous skill enhancement through exploring emerging software technologies, tools, and modern frameworks.
- ❖ Engaging in agile team environments, technical knowledge sharing, and collaborative developer communities.
- ❖ Active lifestyle pursuits including football and outdoor travel.

SOFTWARE ENGINEER

Python-ERPNext

Career Objective

To be associated with a dynamic and progressive organization that will allow me to utilize my abilities and qualifications in the field to add value to the organization while providing me with opportunities for growth.

Work Experience

Senior Software Engineer

Altersense Limited

January 2025 - present

- ❖ Architected and implemented specialized Enterprise Resource Planning (**ERPNext**) modules, including RMG (Garments), Spinning, Import/Export Commercial, and Production systems.
- ❖ Extended and tailored core ERPNext modules including Accounting, Sales, Purchasing, and HR to align with complex, client-specific enterprise workflows.
- ❖ Engineered custom analytical reports, high-impact features, and system enhancements to address critical stakeholder requirements.
- ❖ Refactored and optimized legacy codebases to improve overall application throughput, system responsiveness, and database query performance.
- ❖ Managed end-to-end multi-environment server infrastructure (Production, Staging, and QC), updates, and feature rollouts.
- ❖ Led cross-functional engineering teams through daily task execution, continuous integration workflows, rigorous Pull Request (PR) code reviews, and quality assurance.

Software Engineer

Invento Software Limited

June 2023 - December 2024

- ❖ Developed and optimized core ERPNext modules including CRM, Selling, Buying, and Human Resources (HRMS) to streamline cross-departmental operations and enterprise workflows.
- ❖ Managed production server setups, environment configurations, and multi-tenant site deployments, ensuring high availability, system stability, and zero unscheduled downtime.
- ❖ Extended standard ERPNext functionality by customizing DocTypes, server and client scripts, dynamic pages, and bespoke SQL/Jinja reports based on specific client requirements.
- ❖ Engineered interactive executive dashboards using custom chart widgets, numerical status cards, and real-time data metrics to track key business KPIs.

Junior Software Engineer

Cloudy Camp Limited

March 2021 - May 2023

- ❖ Engineered full-scale ERP solutions, Point of Sale (POS), and Human Resource (HR) systems utilizing Python, Frappe Framework, and ERPNext.
- ❖ Built fully dynamic, responsive web applications and custom client portals using Frappe's web framework, Jinja templating, and modern web stack.
- ❖ Customized core ERPNext modules, designed custom DocTypes, and created tailored business logic to fulfill specific client requirements.
- ❖ Developed custom SQL and Jinja-based analytical reports to enable actionable business insights and streamlined data visibility.

Personal Information

- ❖ **Birth:** 1 January 1996
- ❖ **ID:** 462-720-7634
- ❖ **Marital Status:** Married
- ❖ **Hometown:** Chandpur
- ❖ **Father:** Mohammad Ali
- ❖ **Mother:** Zohora Akther

Professional Skills

- ❖ **Programming Language:** C, Python (Professional), JavaScript.
- ❖ **Programming Frameworks:** Frappe, Django, Django Rest Framework.
- ❖ **Web design:** HTML/CSS, JavaScript, Bootstrap.
- ❖ **Template Engine:** Jinja.
- ❖ **Operating System:** Windows, Linux (Ubuntu)
- ❖ **Database:** MySQL, PostgreSQL
- ❖ **Networking:** Cisco Certified Network Associate (CCNA). Mikrotik Configuration. Microsoft Certified Solution Associate (MCSA).

Projects

- ❖ **Spinning ERP**
Language – Python, Javascript, HTML, CSS, Bootstrap,
Framework – Frappe, ERPNext
